REQUEST FOR COPY OF NOTICE OF MISSING PARTS

Office of Initial Patent Examination
U.S. Office of Patents and Trademarks
Washington, DC 20231

Sir:

Undersigned counsel's offices moved from Washington, DC to Northern Virginia in mid-June, 2001. Prior to the move, a general change of address for the office of undersigned counsel was filed with the Patent and Trademark Office. Enclosed herewith is a formal change of address notice for the above-identified application.

In talking with Ms. Elisha Evans in the Patent Assist Center, Applicant was told that the post card receipt containing the serial number for the above-identified application was sent to the Washington, DC address. Applicant was also told that a Notice of Missing Parts had issued on July 10, 2001 and was forwarded to the DC address. Courier runs between the DC office and the new office in Tysons Corner, VA have not produced either document. Therefore, it is requested that a copy of the Notice of Missing Parts be forwarded to the new address shown in the enclosed change of address notice.

Respectfully submitted,

PILLSBURY WINTHROP, LLP
